“ *I have only met her a couple times when I went to Mikki's house, and she was a very nice loving woman. I always ask Miki when she was coming back because I like to come over and eat her food she cooked. She cooked great food. My favorite was her Hot Water Cornbread. I am happy that God has put her in my life path and I will miss her like she was one of my own family members. May she rest in Peace and Be with God.*

I thank you for opening your home up to me Thanksgiving 1995 and letting me throw down on some of the best food I ever had, oh and me experiencing SNOW for the first time in my life. I know you were a God fearing woman and the Lord takes care of all of his saints. I will keep the family in prayer. I love you Tanja*

“ To the family, I know that you all know that to be absence from the body is to be in the presence of the LORD. I know however that those word doesn't ease the sorrow, so I want you to know that I will pray that the LORD comfort you.

As for Betty who I have had the previledge of speaking with many times over the years. I know you're in Jesus arm and he is whispering "well done my good and faithful servant". God bless you.

“ With heartfelt empathy, my prayers go out to you all. I feel as though I lost my own granny. May you find comfort & peace through Jesus. Although she is eternally with the Lord, she will continue to live through the hearts and lives of those who cherished her. May you find laughter & joy as you speak of her often with fond memories. Betty, I am eternally grateful for the moments we shared and I look forward to seeing you when I arrive.
