Ms. Betty Louise Hodge passed away peacefully at Hurley Medical Center on August 14, 2023.

Betty was born on November 19, 1944, in Plain Dealing, Louisiana, the daughter of Fleming and Mary Hodge. Betty grew up with a full house of brothers and sisters whom she adored and enjoyed spending time with. As a young lady, Betty learned how to cook and bake by helping her mother prepare meals for the family. She enjoyed school, singing in the choir, playing games and making dolls/doll clothes from fabric remnants. After high school, Betty moved from Plain Dealing, Louisiana to Flint, Michigan where she was married and began her family with three children.

In the early stages of Betty's new life in Flint, she was reminded of a science teacher's advice in school that she would make a great nurse one day. These insightful words and encouragement stirred up something in Betty and this is where she made the decision to attend Mott Community College to obtain her

Associate Degree in Nursing. Upon completion of college, Betty worked as a Registered Nurse, throughout the State of Michigan. She held various positions in the nursing program, from staff nurse, charge nurse and supervisory positions. Betty fulfilled a vision that became a reality. Betty's places of employment included Genesee County Community Mental Health, Training and Treatment Innovations, Hope Network Clarkston, MI, New Hope, Clinton Valley Regional Center, Oakdale Regional Center Lapeer, Caro Regional Medical Center Caro, Saginaw Osteopathic Hospital and Flint General Hospital Flint, MI. Betty continued to seek self-improvement and went on to obtain her Bachelors of Science in Nursing from the University of Michigan.

During Betty's journey in life, she was led to the Christian faith where she became a devoted member of Freedom Temple Ministries COGIC. Betty's love for the Lord, encouraged her children and numerous family/friends to accept Christ as their personal savior. Betty held many positions in the church to include being a missionary, Sunday School teacher and choir member. She enjoyed going to yearly Christian conventions with her church family all across the country. Betty loved beautiful things from clothes, jewelry, furniture and flowers. Betty's hobbies throughout life was a love of gardening, flowers, needlepoint, cooking, puzzles, sewing, going to the movies and watching TV Land. She also enjoyed traveling and had the wonderful opportunity to go on a Caribbean cruise (for those who went with her smile), Paris, Germany and other parts of Europe.

Ms. Betty Louise Hodge leaves to cherish her beautiful memory, three children, Jenna Y. “ To Nora, Bo, Gina, and entire family. As a teenager growing up and running with Nora, I used to come around Ms. Betty often. My main memories of her I would sum up as “ A Regal Woman”. As a young lady I didn't understand the magnitude of such a character as I do now. She was always kind and always real each and every time I was in her presence, for years that never changed not one time. I am so saddened to hear of her passing and you all are in my thoughts and prayers. Love Monique
