“ Miss Betty took me under her wing at the Malleable during the time we worked together. I am now 27. My birthday is on the 20th of May. I was around 24 when i met Miss Betty. We ate breakfast and lunch everyday. I expressed myself to her on a regular basis. I enjoyed being around her and valued her wisdom she shared with me. I looked to her frequently for advise.  
I am now doing the job she did when she worked at the Malleable. Just recently she ran across my mind and i wondered how she was doing. I am so sorry to hear about your lost. I know she will be deeply missed. It is a blessing to come across people as wise as Miss Betty.  
I will pray for strength for your family and loved ones to carry you through your sorrowed times.
