“ *To the Lard-Johnson Family:*

I was sorry to hear about the passing of your loved one. Death is liken to a thief that comes and takes away our love ones. Or due to old age and sickness we lose that precious quality of life that leads to death.

However, have you ever asked: Is death the end of it all? Or is there something else after death? The bible clears up any question we might have about death. It also shows that there is a real hope for persons who have faith.

*Yours truly,
Patricia*

“ Betty was an awesome person, inside out. I will always remember her for her calmness in the midst of chaos on our unit at Hurley Medical Center, 4 EAST PCU. She taught me so many things, and was there for me when my mother passed in 2009, along with our Nurse Manager, Cecelia Rutherford. They were the best Nurse Managers/ friends, mentors ever!! This hits hard because you crossed my mind 2 weeks ago. I almost called you. Now I wish that I had called you. May God give your family peace that surpasses all understanding. The only consolation that we have, is to know that to be absent from the body is to be present with the Lord. Rest in Jesus our Betty Boop. I called her Nurse Betty. You will forever be missed until infinity. We will love and miss you forever.. Mrs. Victoria Webster, RN Retired HMC Friend/ Co-worker
