I have worked with Betty many times in the occupational health field. She was so much fun to work with, you would see that smile and right away your spirits would be lifted. I wish she could have been with us much longer.

“ I am very sorry for your loss. I did not know Mrs. Lawson-Franklin but I am sure she will be missed by those who loved her. The bible gives us hope even in the worse moments. Revelations 21:3,4 says: "With that i heard a loud voice from the throne say; Look! The tent of God is with mankind and he will reside with them, and they will be his peoples. And God himself will be with them. And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." I hope you find this scripture comforting because it speaks of a time when death will be no more If you would like to read more comforting scriptures please visit the jw.org website, Again I am deeply sorry for your loss.
