“ My Mother was everything to me. The greatest Mother any child could ask for. She was a young Mother who kept her focus and goals on Nursing despite having a husband and 2 babies at the age of nineteen. She looked out for her Sisters and there children as well. She was a great daughter to her Parents and Inlaws. She was a Beautiful Women. Looked like a Movie Star and the Life Of The Party. She shared all she had. Her heart her Money Her Sprit of love and grace! She was a now nonsense person. Would check you if she felt disrespected in any shape or form. A brilliant Woman who Taught me Grace and Compassion. Always do right and you can sleep at Night she would say. The horrible disease Dementia entered her life 10 yrs. Ago. She remained active and strong The disease eventually eats at your brian. And diminish your daily functions as a human being. I'm Thankful for My Mama. Never imagined life without her. My heart has a hole in it. I will everyday remember and miss her sprit. She was everything to so Many. Beautiful inside and Out. My Mama the Magnificent Betty Jean!! Love u forever in My heart.
