“ *To the Reed/Earnest family, my thoughts and prayers are with you during this time. When I think of Sis. Betty I think of our Montrose Days when growing up. She was a special person. The last time I seen Sis. Betty was in Columbus at the National Ushers Convention. She was on vacation and hanging out with Bobbie and Ruthel. As usually she was smiling and talking about going shopping.*

To the family, I know it is hard to loose a father and then few months later to loose your mom. Death is hard no matter of the age. It is even harder when you loose them both in a short amount of time. Just remember the memories you had with your parents. The memories will bring you laughter and peace. Just remember weeping may endure for a night but joy comes in the morning. Your morning will come in time.

*God Bless with Love,
Chrissy Jones Davidson.*

“ To the Reed and Earnest Families

May God be with you during this most difficult time. Sis Betty has been a friend of our family for most of my life. She always had a smile and an encouraging word. I can't ever remember a time that I did not see her and Bro LS. Bro. LS always took care of her and made sure her needs were met. When he left this Earth in November, he was again thinking of his beloved Betty. He went ahead of her to be sure everthing was in order. He surely met her at the Gates of Heaven and together they will be throughout eternity. Take care of each other and God Bless.

“ To my older sister, Tammie and her husband, Jessie. You all have my deepest sympathy for your loss. I know that you all know and believe in our Lord, so all I can say is that Betty is in a much better place. She's not sick anymore and doesn't even have to worry about it. She shedded her sick body and moved on to one that needs no maintenance, it's problem free. Tammie, you and your family are in my thoughts and prayers. I'll be in touch soon. Naye

“ I just wanted you all to know that even though I haven't talked or heard from you in years that I am still here for you. It's been a long time. I know that God will be with you and your family at this time. Keep God in your faith. I do know what you are going through I just had the same experience myself and still going through it. Continue to pray and stay close as a family. I will keep you in my prayers.
