“ *My deepest sympathies for your loss. Beulah was a wonderful friend, mentor and colleague at the University of Michigan-Flint. She will be greatly missed.*

“ *Wonderful, cheerful, upbeat, hardworking, organized, smart colleague.*

It is hard to imagine U-m Flint, EDU and the SEHS without her.

It brings to mind the Biblical quote about "[not] knowing neither the day nor the hour.."

Beulah: For all of us, your hour came too soon.

“ My sympathies and prayers for the Alexander family. I worked many years ago with Beulah, when she started, and I was leaving UM-Flint. I remember her sparkling personality, smile and energy. Although we lost contact, I still remember her. A wonderful person. Rest in peace, Beulah.

“ Even though we did not know your loved one personally, we are truly sorry to hear of your loss. Often during difficult times people turn to the bible. Two scriptures that come to mind are Revelations 21:3,4 and Acts 24:15. I hope that these verses are comforting to you.

“ To the family of Beulah Alexander I send my deepest sorrow. I do hope you know about the wonderful promise of God to awaken our dear loved ones from sleeping in death found in John 5:28,29). Jehovah God (Exodus 6:3) will use his son, Jesus (John 20:31) to do the resurrecting. Then beautiful people like Beulah can again walk the earth. (Psalms 37:29) A sample of a real-life resurrection is also recorded in the bible in the book of John 11:11-14, 43,44. Please read and receive the comfort that only God's word can give.

“ We are deeply grateful to have earned Beulah's love and friendship for the short time that we knew her. We lived to put a smile on her face because of her great heart of caring for all people. We will miss her immensely; life is profoundly changed. May her family and friends be showered with loving memories of Beulah's beautiful soul. May her soul be at peace.

“ So saddened to read of Beulah's passing! As a student at U of M Flint I worked under Beulah (work-study) when she was executive secretary in the philosophy department. That was over 14 years ago and I still used her as a reference! Beulah was a wonderful, wonderful boss! As a state of Michigan employee I saw her often in passing and we'd always hug and say hello! Just recently saw her when she lost her mother a few months ago! May God be with you, her family during this time of bereavement. God Bless and thanking HIM for the opportunity of having met such a wonderful spirited person. Rest In Peace Beulah. I'll always remember you!
