“Granny, you were my safe place, my encourager, and one of my biggest supporters. The way you showed up for me, Kevin, Kam, and Kiara touched every part of our lives, and I’ll carry that with me forever. You will always be my favorite girl, my fellow Cancer, lefty, and green lover. Thank you for being the absolute best Granny a girl could ask for. I’ll miss our talks and your sweet “oh nothing, just piddling around” whenever I asked what you were doing. I have comfort knowing you are not alone, that you are in the arms of the Lord, reunited with Granddaddy and your sisters and brothers. And I’m grateful to still have your voice saved from one of your birthday voicemails, a little piece of you I can hold onto. Until we see each other again. Love and miss you beyond words Gran-mama.
