“ *Ms. Beverly was such a delight and such a blessing to me in being a friend to my mom. She always had a smile on her face. She was also my event buddy. We would go to jazz in the parks and our last event was going to Mott Motown. She insisted on driving me in her new Red car. She will be missed. We love her. The family of Joyce Andrew's. “ My sincere condolences to Beverley's family. I stayed with the Tucker's from time-to-time and Shereatha and I would go over to the Smith's house to play with Bennie and Shirley. Beverley always welcome us as her extended sisters. She was so pretty and always kind to us.. I'll never forget her beautiful smile, her kindness and pleasant laughter. Rest in Peace

“ I am so sorry to hear about Beverley. I and my family have known her and her family for many years. My dad(Mr. Bolden) used to work with her dad--Mr. Smith. They were like family to us and I remember as a little girl I used to love going to their house so I could bang on their piano! My deepest condolences and prayers to all the family. RIP Beverley. 🙏

“ *To the Smith Family:*

I was sorry to hear about the passing of your loved one. Death is liken to a thief that comes and takes away our love ones. Or due to old age and sickness we lose that precious quality of life that leads to death.

However, have you ever asked: Is death the end of it all? Or is there something else after death? The bible clears up any question we might have about death. It also shows that there is a real hope for persons who have faith.

*Yours truly,
Patricia*
