“ If raindrops fall in heaven Lord please take
my Aunt's hand and dance with her upon a
cloud so high, Then when the storm is over if a
rainbow should appear, somewhere off in the
distant sky , Gently take her by the hand and
lead her on her way so that she might find the rainbows end, Then
as she smiles in wonder at the treasurer's Heaven holds wrap her
safely in your arms, And dance with her again, for you see she was
a Angel Lord here upon this Earth and though I'll be forever grateful
she was my Aunt I simply was not ready when I had to let her go
and I still think about her all the time so tell her that I love her Lord
more than she'll ever know, Then gently place kiss upon her cheek
for though she is in heaven now I want her to know she means the
world to me and all of her family , She will be missed but not
forgotten. Thank you Lord for sharing my Aunt Beverly with me your
