“ *Patty, I just heard about Mom's passing. I have fond memories of your mother, and my son when he was a very small infant, whom they referred to as Petey. Your Mom was very young at heart and in spirit. I loved the way she held on to life, and lived it to the fullest. We never want to say goodbye to our parents, the time spent with them is never long enough. Just know you're in my thoughts and prayers today. Duke when you have time give me a call. I love you all.*
