“ *May God give you comfort and strength during this time. I worked with Beverly at Hurley many years. She was known for the beautiful smile she carried on her face. Remember that smile and it will help lighten the sadness. God always pick a pretty rose out of His garden and Beverly was that rose. God Bless and Keep you*

“ *My prayers are with the Maze family. I worked at HMC with Bev. She was such a nice person and helped me understand so much about the ob/gyn unit. Her kind words each day was worth so much to me. Know that she was special to so many patients and co-workers. I'm sorry for your loss. Be lifted up by HIS word and HE shall keep you in perfect peace at ALL times.*
