I am so sorry and shocked to hear of Beverly's passing. She was one of my favorite students. Beverly had so much passion for any job she had to do and educating you girls was one something that she was detrminded to do. Beverly was one of the few students that kept in touch with me through the years. We last talked this summer. Please get in touch with me. “ *Your mother is always with you...*

*She's the whisper of the leaves
as you walk down the street.*

*She's the smell of bleach in
your freshly laundered socks.*

*She's the cool hand on your
brow when you're not well.*

*Your mother lives inside
your laughter. She's crystallized
in every tear drop...*

*She's the place you came from,
your first home.. She's the map you
follow with every step that you take.*

*She's your first love and your first heart
break....and nothing on earth can separate you.*

*Not time, Not space...
Not even death....
will ever separate you
from your mother....*

You carry her inside of you....
