“ *I am so so very sorry to hear about the passing of my Michigan State University colleague and my very dear friend. Beverlynn. The last time I was able to speak to her was in May and she was very excited about closing a new home she had just purchased. We talked. three to four times a week sometimes with sometimes a couple weeks lapse in between I have been caught up with worn of late and finishing a doctorate degree and have not been able to make a connection with her. We talked iften. We just reconnected about 4 to 5 years ago having not spoken since 10 years prior. . I had often spoken about costing her in Michigan but it never transpired. I am working on a dissertation right now for a doctorate program and she has been very encouraging.. Beverlynn was a nice quiet person very intelligent and a very good friend. She often spoke to me about her niece snd her recently departed uncle.. Ae shared a lot of laughter as college friends. I know she is now in heaven sharing her laughter and nokes with God. God Bless you her family I will always remember my dear friend Beverylynn.*

“ I am deeply saddened upon hearing about the passing of Beverly. I last saw her at my Mom’s viewing. And I was so glad to see her. Beverly was also my NW class of 1977 classmate and we grew up together in a Sunday School at Mt. Calvary. Always a gentle spirit. Praying GOD’S peace and comfort for they entire Harper Family.
