“ To the Crayton family, my heart goes out to you at this time. I know your pain, I don't what words to say to make feel better. but what do know that God heals all pain and wounds. so put your trust in him and everything will be alright. Just let go and let God. This song has really been in my mind all day and i just want to share the words to the song with you, i hope it bless you in some kind of way...

*I couldn't seem to fall asleep  
There was so much on my mind  
Searching for that peace  
But the peace I could not find  
So then I knew how to pray  
Praying helped me please  
Then He said you don't have to cry  
Cause I'll supply all your needs*

*As sooon as I stop worrying  
Worrying how the story ends  
I'll let go and I let God  
Let God have His way  
That's when things start happening  
I'll stop looking at back then  
I let go and I'll let God have His way*

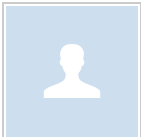

*There so much going on  
Sometimes I can't find my way  
And often times I struggle  
Struggle from day to day  
I have to realize that it's not my battle  
It's not my battle to fight  
I have to know if I to put it in His hands  
That everything will be alright*

*Let go*

*Let God  
Let go  
And let God  
Let go  
Let God  
Oh let go  
And let God  
Let go  
And let God  
My brother let go  
And let God  
My sister you can't handle it  
Let God  
Oh let go  
And let God  
Let go  
And let god  
Oh let go  
And let God  
Let go*

“ *Did you know that God promises death will be no more. There is an encouraging thought found at Isaiah 25:8 which says that God will swallow up death forever. I hope you find this thought encouraging. One day we wont lose our loved ones in death.*
