“ *Bill was my friend. I will never forget about our countless laughs and marathon conversations. I am a better person because of Bill. He was an amazing man. My heart is aching, because my friend has been gone almost a year and I didn't know. Lesson learned when you love someone don't let too much time past without reaching out and letting them know how much you love them. My extremely late condolences to the family. I will carry my friend's spirit in my heart forever.*
