“ Peg, was a funny girl who could always keep you laughing, she also had insight into life. Me being naive said to Peg one day i wonder what kind of husband and dad i will be, she replied, "Mike you will be a good husband and dad". Years later after marriage and children by God's grace and mercy the nugget of hope she gave me came true. i thank her for that nugget of hope I carry around today when i think of her.

“ *Growing up with Peg was fun because she sang so many different songs in the living room of her mother's home. She had a powerful voice that caused you to take noticed and the art of persuasion to get what she wanted. I will miss her beautiful smile and sense of humor.*
