“ *There is a great emptiness left by Billie’s passing, but I am certain that the strength of the love that your family and my family share for each other, for we know that the Lord will get us through this difficult time. May that love we shared for her will honor her memory and may we cherish the time shared together. Billie Jean and I were very close when she lived in Henderson, Texas. We “ran” around together and were “Thick” as Thieves”. May the outpouring of love you have received since Billie’s parting serve as a reminder to you and your family of how much she was loved by all who knew him/her. I’m so sorry I could not be there in person to convey my condolences. Though I may be far away, know that my spirit and prayers are with the family. First cousin Billie, I will miss you so much and I will forever cherish all of the memories we shared together. Love you Billie! May you now rest in peace!*
