“ *Those who mean the most to us  
Are never really gone.  
For in our thoughts and in our hearts  
Their memory still lives on  
So may you find that passing time  
Can somehow help to heal  
Those memories will ease the loss  
And sorrow that you feel*

*You are in our prayers.*

“ *The tears are flowing and the sorrow is mounting as I remember my special friend. Twenty-five yrs of special times together will never fade. Your wisdom, knowledge, inspiration, kindness, love of his word and that touch of generosity from within is what made u so special to me. Your early morning calls was what made my day. You were my guardian angel and I say Thank You. The secrets that we shared together was healing for our souls. Our special place is so beautiful as I cry my last tear for u as u enter the Golden Gates Of Heaven. I LOVE U Mr. J.(Jammin it)Hill.*
