“ My condolences and Prayers to Danny. I'm so sorry to hear of the passing of Blanche. Been knowing from the barber shop, but I never knew you were married to Blanche. I met Blanche years ago through my friends, Pam Sherrie and Laurie Boyd. Two of who have gone on to glory. Such a small world. Absent from the body present with The LORD. Always Driss 🕊️

“ I was deeply sadden upon hearing about the passing of Blanche. As an RRT I worked in the ICU at HMC where Blanche also worked. I loved talking and joking with Blanche. She was a bright spot every time we worked together. She will be greatly missed by all. To the family may God be with you during this time of significant and extreme loss.

“ I'm going to miss talking to my friend. I knew we would be friends from the time I met her in 1990 in the Health Unit Coordinator class at Hurley Medical Center. We had a lot in common. We both had 1 daughter, we were married the same year and our husbands grew up together. She was more like one of my sisters and my family embraced her like she was. We have gone through so many challenges in this life together. I'm glad she is not suffering anymore but I know what our heavenly father has promised for those we loose in death and I find comfort in those promises. So to Danny, Ericka, Mema and Mr. Sams, Bellary, Leo and the Sams family will continue to be in my heart and prayers. Selina
