“ *Since the loss of you,
I've learned to live for each day
And take it as a blessing,
Knowing it may not always be this way.*

*Since the loss of you,
I've learned that when everything goes wrong
To never give up on what is right
Because it can only make you strong.*

*Since the loss of you,
I've learned that even when you're in a lot of pain
You've got to hold yourself together
So you won't feel like you're going insane.*

*Since the loss of you,
I've learned how to hold the tears when I want to cry
Because all I have is memories
And just want to ask God why.*

*But mostly, since the loss of you,
I've learned a life can be taken in the blink of an eye
And only Heaven really knows when
That person will have to say "Goodbye."*
