“ Aunt Bobbie, I truly hope that you know just how many people's lives you have touched and blessed just by being you. A smile comes to my face just thinking of the times you used to keep me, Antoine and Prather when we were kids. I remember you trying, unsuccessfully, to get us interested in learning to play the piano. I laugh out loud thinking of the time you saved me from having my mouth washed out with soap by my dad when I said a word deemed to have been "bad"! Even when you fussed at us kids I never recall your voice rising above the soft spoken tones you are loved and respected for. I know that you love your kids and family and I am hopeful that you know that we love you as well. God bless and keep you by his side in heaven always.

“ I was blessed to have such a wonderful, loving, and God Fearing mother. Mom you make my heart happy. I miss you so much. Especially, waking me up early in the morning to ask if I want some grits, home made pancakes, and bacon. I miss your soft steps going up and down the stairs while doing your exercising. I even miss you washing clothes Everyday you literally found clothes or sheets to wash. I will love you forever. Thank you so much for trusting me to bring you to Texas 2 years, 2 months, and 5 days. I told you that the Lord would show me how to take care of you and He did just what He said. I thank the Lord for not allowing you to suffer. Mom I wouldve taken care of you Forever. Thank you for trusting the Lord in me to Love and take care of you. Your Loving Daughter Rich Etta or as you would call me Richie Etta.
