“ There just aren't enough words that you can share about a childhood friend. Especially when Bobby would make you laugh. And getting his brothers in line. Takes a Big man to do great things being a slim handsome man finding true love in His wife Gloria who awaits in him in Heaven.. But we all know the history of his love he had for his family I'm sure they will miss his every thing about him but the values will live on in them . Because he was that Special Guy that loved You to the end. Rest in Peace Sir Boobbie L. Jones. Let his memories be a part of your daily thoughts Because this Angel has taken up his Golden Wing's and departed . Much love to All. Always. Doll Baby. Huntsville Alabama

“ *To the Jones Family:*

I was sorry to hear about the passing of your loved one. Death is liken to a thief that comes and takes away our love ones. Or due to old age and sickness we lose that precious gift of life that leads to death.

However, have you ever asked: Is death the end of it all? Or is there something else after death. The bible clears up any question we might have about death. It also shows that there is a real hope for persons who have faith.

*Yours truly,
Patricia*

As a youngster your actions as a strong father to your children and a very supportive husband to your impacted me enough to leave an indelible memory of how strength of a family begins with strengths of the two heads "Mother and Father".

From just a simple gesture you was enough to last me a lifetime.

Rest in peace sir, as your journey to reunite with Mrs. Jones is now fulfilled.
