“ Dear Whitfield Family and Friends,  
I am so sorry to hear of the loss of your dear loved one. Please accept my sincere condolences. I too have lost several loved ones in death, and the pain is fresh, even with the passage of much time. Thankfully, I have found relief in knowing that "The Most High God" is the "Hearer of Prayer", and a source of tremendous comfort in times of grief and distress.(Psalms83:18,Psalms65:2) Please be assured , death will soon be "swallowed up forever" and we will have the opportunity to see our dead loved ones again.(Isaiah 25:8) My family and I wish you and yours peace.(Phillipians4:7)

“ Our sincere condolences to the family. May you be strengthened and encouraged to know that God will provide much comfort to you in the days ahead as you cope with the passing of your loved one. We are encouraged by His words at Revelation 21: 4 which says of our future hope: “And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.” Jehovah has also given us the hope of a resurrection at John 5:28 where He says “all those in the memorial tombs will hear his voice and come out.” May the friends and family be comforted during this time of great loss.
