“ *Condolences to the entire Hatter family. Bobby was a very smooth Dude. I've known Bobby for close to 40 years. At the time Bobby was only 1 of five people that ever cut my hair, I was Very particular in those days. Bobby convinced me to change from my jerrie curl, hahahah. Seems like we hit it off from the beginning. I remember I ran into Bobby at a night club in Toronto and that started a life long friendship. Bobby would visit Dallas sometimes when he came down to visit his family in Waco. I will cherish all the fond memories we created over the years. I will truly miss my friend. RIP my friend. “ I express my condolences to the family of Mr. Hatter. I know there is no words to express your pain right now but know that God is there and with you as your comforter. Bobby was my old friend and former employer he had a good spirit and a good heart. I know he ran his race for humanity and God is pleased with. We will miss you brother and may you rest in peace until Jesus rise you up again

“ I am sad to hear of the passing of this Dude right here! I just saw him in the store about two or three weeks ago and he congratulated me on 36 years in radio. Most people don't know this but when I was a Senior in high school, I THOUGHT I wanted to be in Cosmetology. I took a class where I got to visit different businesses to see first hand how they work. One of those businesses was Claudia's Hairport. During that visit, I met Bobby Hatter. One COOL Brother! Another visit was to WDZZ. THAT'S how I ended up in radio. When I last saw Bobby, we reminisced on those memories of 36 years ago, and he was STILL, ONE COOL DUDE! ..... Rest In Heaven My Brother. My condolences to your Family, Clients and Friends. You WILL be missed.
