“ To my friend who I called OG Bobby Johnson I remember all the great times we had at work and our talks we had. Even when the pandemic hit he still came through the drive thru and made us smile and tell us to stay safe. Cause OG has seen it all and he was more than a friend he was a man of Christ like an Angel and a soldier from God and he went home on Christmas Day to the Lord..I am sadden and God gave him his wings.. so I am uplifted cause I know he is praising and rejoicing in heaven..To his family and friends may God bless you and walk with you during this difficult time ..from Lisa Watkins General Manager Miller Road McDonalds.

“ This hurts as I was just thinking about him yesterday. He was my Bible buddy at work. We talked about God every time we worked together before the pandemic. Forever in my heart. To the family, I pray God's comfort in this time of need.
