“ *Bob was wonderful man with a great sense of humor. It was my pleasure to work with him at General Motors Powertrain in Tonawanda, New York. I offer my belated sympathies to the Rouse family as I was just informed of his passing. He often spoke of you, his wife, children and mother with great affection.*

“ *So sorry to hear about the passing of Bobby. He was such a nice spirit and very thoughtful. After being in CA for many yrs & having to come back when my Mother died in '93, I was so touched to see him at her funeral. He was so young, but I know that God is taking care of him. God bless all of the family members.*
