“ *To my brother Bobby, I love you and will always keep you in my heart. This was not how we planned it, but the Lord had a different plan and he always knows what is best. I'm going to miss you so, so much that I can hardly hold back the tears. So as the water is running down my face, I pray that in your passing your sons and daughters, my nephews and nieces, become closer and more caring and loving toward Mama Betty. There is no greater Love than the Love Mama Betty has for "all" her children, grandchildren, and great grandchildren. She helped me become the man I am today and gave Bobby and me the greatest gift of all, " LOVE". Your brother, Phil*
