“ I met Bonita in the 7th grade at Bryant Jr. High, and when we were in the 9th grade we both tried out for Cheerleading and we both made the squad. I remember Bonita as small in stature but super-sized in feistiness. She did not back down to a challenge, and Lord help the person who challenged her to a race, because she could run like the wind. Now, it seems, all too soon, she has finished the race. But I do not doubt for a second that she is wearing her crown of righteousness in the presence of the Lord. It was truly a pleasure to have known Bonita. And Family, please accept my deepest condolences and know that you are in my prayers.
