“ To the Holmes Family:

I was sorry to hear of the passing of your loved one. Death is liken to a thief that comes and takes away our love ones. Or due to old age and sickness we lose that precious gift of life that leads to death.

However, have you ever asked: Is death the end of it all? Or is there something else after death? The bible clears up any question we might have about death. It also show that there is a real hope for persons who have faith.

*Yours truly,
Patricia*
