“ *Wow here we go again. Well first of all to Mrs Mary, You already know that the Lord do not make no mistakes and that he was just tired of seeing JR suffer and called him on home. Jr is in a better place and i have a lot of memories about him and i remember the days he tried to be my boyfriend but he knew it was not going to work. Ms. Mary you take pride in knowing that he is in good company now. He got Peter and both of my brothers John and Robert as well as my mother and as always the Lord watching over him. They are all walking around heaven all day.*

Charles and I love you Mrs. Mary and keep your hand in the Lord's hand
