“ We have been sister and brother before we both made it here to earth. Your mother is my mother bff 53 years of friendship. I am your mother God daughter but to me there is nothing that can tell me you all aren't my real brothers. I love you guys as if we came from the same womb. This has been a extremely hard pill to swallow. But I find comfort in knowing you're not in pain anymore. I love you lil brother and this isn't goodbye but see you on the other side. 💔💜💙🙏
