“ I am so sorry to hear that Brandon passed. He was just over my house helping Antoine carry water and other things for me. His last words to me were I'm your Grandson too Granny...it had been so long since I've seen him that I didn't recognize him but the smile gave it away. It was so good to see him. To the family I am so sorry for your loss but trust and believe that God is there to comfort you during this difficult time. Love you all.

“ Your family is in my thoughts and prayers in the loss of Brandon. He was such a nice and polite young man; he had a great smile and a kind heart. We had the pleasure of spending time with him and my granddaughter up north. We went out trail riding and then for pizza, we had a lot of laughs and made memories. May you find peace and comfort in the memories and the love you had for him and he had for you.
