“ Unbelievable how I missed this notification. Letting the words of my mouth be exceptable on this sad occasion. To all the family , Nieces Shelanda and Dalanda . Please except my deepest condolences in the loss of Brenda. Who was just Brenda doing what she likes. But most of all a very kind spirited woman with a dream.n please each of you find joy in her transition, that when the roads were lumpy, she always managed to smooth her way. Bless each of you and May her soul rest in Peace.
