“ *My beautiful aunt was the absolute sweetest, most kind-hearted, giving, funniest person I knew who as a sister to my mother Raynal, had the greatest love for me, my siblings and our children as if we were her own!! She took the time, even in her recent days to get to know all of her great nieces and nephews!!! She was my love, my favorite aunt in this world! Although she is quite asininely not having a service to commemorate the loving memory that she will be leaving, she will be greatly and dearly missed every single day. However, now she is free from this cruel world & those residing in it, free to join the Master, her parents, grandparents, siblings, and my amazing one-of-a-kind mother- what she constantly told us was her favorite sister, now in Heaven above!*

My children, family, and I love and will miss you so very much now and for eternity our beloved Aunt Brenda Kay Du Bois (correct spelling). Now you may sing those beautiful praises to The Lord Himself as you sit in His presence at His feet and worship Him! I love you now and forever
