“ To God be the glory in all our circumstances ... to Monica,Renee,LV and family I express my condolence with much sorrow in the pasting of Brenda.

We suffer when love ones pass on, partly because we are unprepared for the separation; however, sooner or later death will come to us all. We who are in the Body of Christ are reassured by the words of the Apostle Paul that "if this earthy house, our tabernacle were dissolved, we have a building from God, a house not made with hands, eternal in heaven."

So in the words of Jesus, "Let not your hearts be troubled, ye believe in God, believe also in Me, in My Father's House I have prepared a place for Brenda.

I encourage you to believe that TIME IS HEALING BALM OF THE AGES!

Always in God's Grip ... Happy

Then accept my encouragement during this difficult time. For truly we will miss her smile and gentle way.

“ *Just wanted to let you know that I love u Monica and I know that God will see u through this tough time. Remember, to be absent from the body is to be present with the Lord. I'm always here for you when you need me. Mrs. Redwine was so sweet and always a joy to talk to. I'm happy to say that I had the opportunity to speak and visit with her on Sunday before she passed. I affectionately referred to her as my mom and she will be remembered that way.*

“ When I think of Brenda K, I can't help but think of all us girls around the table, laughing, playing cards, just enjoying each other. Our parents were bound to laugh, dance, while enjoying a cold one! Brenda K she always wanted to know how my son Ian was doing. Before you knew it we were reminiscing about things of yesterdays, visualizing the past as though it were the present. We'd laugh! My last call to her, Monica answered because they were at an appointment, I was on my way to work & I told Monica I would call her mom back. Just a few weeks later, she's gone. I see her beautiful smile and I cry. I tell myself, it's too soon. This can't be true & suddenly I'm reminded of a scripture that describes our life as a vapor.
Monica, I'm praying for you baby! I love you dearly. Renee, you know how crazy I am about all of yall. As always, I will continue to call, from time to time-sometimes just to say hi!
I wish I could take all the pain away, I really do. Just know that I'm really not that far away from you!!

“ I am sadden to here of Brenda's going, at the same time it is good to know that she is in perfect hands. I remember lots of fun times in school and when I last spoke with her at Refuge Temple. She will be missed but not forgotten. For whatsoever is born of God overcometh the world: and this is the victory that overcometh the world, even our faith. I John 5:4

“ I met Brenda many years ago at Flint Coatings when she was in the shipping department and I was a HiLo driver. She was always one of my favorite people . She always had something nice to say about everyone even if they weren't. She always was smiling and happy which is something I envied her for and wondered how and why. I finally figured it out because she was blessed by GOD to be that special someone. Everyone liked her and I always enjoyed teasing her and she would tease me back. I will truly miss her. I had the good fortune to see her again at Truck and Bus as I drive for G.M. and it was excellent. She was truly a very fine and wonderfull lady and will be missed and remembered forever and will always be in my heart.
