“ I've known Brian for as long as I can remember. I had the pleasure of working with Brian for last three years at the Academy of Flint. He was a great, caring, person and he loved everyone , especially the kids at the school. Everyday you could depend on Brian for a laugh or an impromptu serenade to anyone and everyone, he was a good singer. He spoke highly of the love he had for his daughters all the time. He loved the Beecher community and we loved him as well. I felt it was a privilege for me to have "Ke-Ke" as a friend and I will cherish the memories forever.

God Bless
R.I.H. Brian

“ Dear Ferguson Family and Friends,

Our family is praying for you and yours. We are sorry for your loss. Ke-Ke was such a humble and spirit filled person. I will always remember his laughter, his jokes and just him being upbeat all the time. He always encouraged me and I remember the last time we talked and broke bread together. He said, "Turner, you raised some good boys, you should be proud of yourself..." He always had encouraging words and I considered him a Brother. He looked out for me and definitely looked after my wife when we were out and I was not around.. I appreciate him being the gentleman that he was. I will always miss him..He was a Friend and a Brother...

God Bless You all and Bring You Peace...

“ Dear Ferguson Family and Friends,
I am so very sorry to hear of the loss of your dear loved one, and offer you my sincere condolences. Many have found comfort and hope in knowing that the Bible assures us: “Jehovah is close to the brokenhearted; He saves those who are crushed in spirit.” (Psalm 34:18) God’s holy spirit, or active force, can equip you with “power beyond what is normal” to go from one day to the next. (2 Corinthians 4:7) It is my sincere hope that this gives you a measure of solace in this most difficult time. My family wishes you and yours peace.

“ I remember being introduced to my cousin only a few short years ago & asking all of my Beecher acquaintances if they knew him. Nobody knew my cousin Brian, but everyone knew & loved KeKe. He was the kind of man who never met strangers, and gave of himself selflessly as a football coach. Our last conversation was all about Michigan's weak offensive line, Beecher's chances at a state championship over the next few years, and the great pride he had in his children. My prayers go out to them & all of his family, including the young men he helped mold at Beecher High.

Love you, KeKe - Go Blue!

“ Brian was my nephew and it hurts to know he is already gone home..... I would like to express my sympathy to his children; his mom; his dad and all those that loved him. God be with us all in this time of sadness. Brian will always be in our heart. I will not say bye, only see you later nephew, when the Father calls me home with Him.

Aunt LaVerne Arther

“The Leaf”

*A gentle breeze shook a leaf from the tree.....
No one noticed... just you and me.
The leaf danced It swayed... a child again,
And as the breeze so gently, lifted it away,
It paused for a moment as if wondering.... “Should I stay?”
But continued its journey anyway.*

*The leaf floated higher and higher toward the Light in the sky
And when I saw the clouds open,
I thought I heard familiar voices from the same old tree...
Or was that the sound of angelic wings?*

*It doesn't matter so much that the breeze took the leaf away,
Only that, that part of our tree was taken
Gone “Home” to stay.
Our family will miss that part of our tree,
But, our family “back home” is rejoicing I know,
Because our loved one has “come home” to stay.*

*A child again.....
No suffering, no sadness, no more pain nor hurt,
He's gone home to the Father, gone away from this earth.*

So every time you hear or feel a slight breeze,

*Or see the movement of the leaves.....
Remember.....
The leaves that have gone "Home" to our Heavenly family tree.*
