“ Brian, the laughter, the inspiration, the encourager, the "It's not that serious" and my "Protection" at a weak period in my life(Rhonda's). We couldn't have expected anything less than love and encouragement from you because you were raised up in the fear of God by one of the most Awesome women in our lives, Aunt Viola! Although our visits ceased after growing up and finding our mates and bearing children, the love between us never ceased and if we needed one another for any reason, all it took was a call! Our hearts aches right now but selfish we are not because we know you're resting peacefull in the arms of God! Oh how awesome that must be Brian!! No more doctors, needles, sickness, pain or troubles just peace. We know somewhere in your heart with your beautiful voice you must have been humming, "Soon I will be done with the troubles of this world and I'm going home to live with my Lord!" You will forever have a special place in our hearts Brian and to the family we say, "Weeping may endure for a night, but joy cometh in the morning!" Linda, Aunt Viola, children stay strong, stay together, encourage one another and lean on Jesus because He is able!! We love you and if you need us, just call!
