“ *We are truly sorry to hear of your loss. Our condolences go out to you and your family. Often during these difficult times people turn to the bible. Two scriptures that come to mind are Acts 24:15 and Revelations 21:3,4. I hope that these verses are comforting to you.*

“ Bruce has always been a strong individual with strong opinions on all issues including family, friends and his music. I remember most our formation of a band when we were in our early teens. Bruce was the youngest member, but he was the best musician. Whenever we played an event, Bruce was the lead and obviously the reason for our success. I am sure God and others in heaven will enjoy the Sax riffs played with love by Mr. Bruce Smith.
