“ My Uncle Bruce was a wonderful man, loving, kind-hearted, and the most genuine person I have ever known. He once told me "People say when life gives you lemons make lemonade, I prefer to just drink water, don't need no sugar, don't need to stir, just drink and keep it moving". He would call me once a week, I teased him about how much he was like his big sister My mother with their speed calls. "hello, how you doing, am good, everybody is doing good, are you all doing good, okay girl talk to you later. I am going to miss those calls. I love you Uncle Bruce..... Rest In Eternal Peace and Love, until we meet again.
