“ To the family and friends please accept my deepest condolences. There really are no words to express the heartfelt sadness one feels when such a young life is gone. May the God who is binding up the brokenhearted and comforting those mourning be of comfort to you during this most difficult time. (Isaiah 61:1-2)

“ While words fail to capture the pain of losing a loved one, we look forward to the time when words will fail to capture the joy of having our heavenly Father return your dear one to you.
