“ To my friend for so many years, growing up across the street from each other we went to school from kindergarten to graduation. Our Dad's worked together and moms were close. We reconnected at Baker College and stayed in touch from there on. Both being Laker fans, we watched so many games on the phone to the wee mornings. We talked about everything one could imagine, I'm still in total shock from this because you would never know if she was going thru something. Never complained, was always positive and happy. This will take time to process for me. Luv ya Suga. RIP

It seems like yesterday that Shirlet and I saw her. They promised to stay in touch. Not knowing that we would receive a message that she's gone and we will never see her again. We wish to share our condolences and love to the family that may God give you peace and understanding of the loss of one he created in love. She will be sadly missed.

“ I have known Burnie Nelson since she was a teenager in church together. I have watched her grow into a Wonderful Great Woman of God. She gave her all to us as women that made a difference in so many of our lives during her many Conferences, Fellowship Gatherings, Lunches at Outback or Red Lobster. The countless lives she touched-causing single women, mothers. wives to change for the better. I will forever cherish my fellowship with Burnie, the opportunities she afforded me to grow, the awards I received, the pushing she did to cause me to write articles and just being MY FRIEND. Enjoy Heaven💕💕

“ I am deeply grieved by the death of my mentee and dear friend, Burnie Nelson. I spoke with her about 2 weeks ago and she was telling me how well she was doing in her new position and she had recently done some writing that had been well received. I had no idea that she was ill as she was so upbeat in our conversation!! Her publications were inspirational to the hundreds that followed her, attended her conferences, purchased her greeting cards and were touched by her upbeat nature and laugh!! Surely goodness and mercy have followed her and she will create another beautiful voice in the heavenly choir! I will always love you Burnie!! Dean Edith Withey ,retired

“ *Burnie was such a beautiful friend and a beautiful soul. She was super talented, articulate, and a gifted writer who was caring, loving, and giving. She had a heart for people and women in particular, as she gave of her time, talent, and treasure to help bring their stories to light and provide them with hope for a brighter day. She encouraged her students and was a great counselor and teacher. Burnie was sweet, kind, sometimes talkative, full of laughter, and other times quiet and particularly private. She worked hard, loved strong, and stood up for what she believed was right. Burnie was a winner, recognized by many people, and received many awards. Most of all, she loved God and now rests in his loving arms. Burnie G. Nelson will be greatly missed, and my heart goes out to her family. Please know that I am praying for you, with the belief that God's Holy Spirit will give you His anointed peace and comfort during this most difficult time. God bless you!*

“ Burnie was a treasured gift to me. The minute we met it was a Holy Ghost encounter that developed into awesome times of ministry. She opened her door of ministry among women to me that was a highlight of my ministry years. She was an anointed and gifted writer and speaker. Her Godly influence to women will not be forgotten. The fruit of her labor lives in so many of us. No doubt, Burnie was welcomed by the Lover of her soul, Jesus, saying, “Well done, my good and faithful servant”. Well, Burnie, we weren’t able to reschedule our lunch date at Leo’s but how about you save me a seat at the Marriage Supper of the Lamb? See you there, Sister. Pastor Jan Polidan💜
