“ Shatoiya, we are so very sorry to hear of your Mother's passing. Always, you spoke of her with great respect and it is through those words I came to know and admire her. She was a wonderful guiding light in your life and that light will shine forever in your heart. Our thoughts and prayers are with you. These words have always brought comfort to me in the past; I sincerely hope they offer some measure of comfort for you now.....

*Though nothing can bring back the hour
Of splendour in the grass, of glory in the flower;
We will grieve not, rather find
Strength in what remains behind,
And remember fondly ...what once was.*

*With love,
Christopher (and Deborah) Moroni*
