“ *To the Moore and Lyons Families: I was truly hurt, to hear of the "sudden" illness of Callie Ann. Again I was "sadden", to hear of her passing. Please know, that I will continue to pray, for the entire family. God makes no mistakes. He seen an "ANGEL", and called her name, for sweet rest. I will truly miss her: beautiful smile, jovial jokes, powerful praise dance abilities and warm kind spirit. Callie had a heart of: "pure" GOLD! I know how much you all LOVED her, and so did I. “ Cal was a beautiful person. A woman of elegance with a smile that would radiate where ever she was. Cal will truly be missed but her presence will never be forgotten because she truly impacted the life of everyone she met. More than anything it is good to know without a doubt that she had a relationship with the Lord and that we will see here again at the biggest family reunion ever...in heaven.

*Sleep on Cal and take your rest,
There's no more trials or tears.
No more pain, suffering, or distress,
You've nothing more to fear.
You ran the race with all your might,
Your work down here is done.
You finally reached the finish line,
Victoriously YOU WON!!*

*Love and blessings to our family,

“ To the Moore & Lyons Family: I would like to express my sympathy for the loss of a wonderful wife, mother, daughter, sister and In-Law, etc. I hadn't seen Callie for years, but often thought of her. She was always such a sweet person and we had a joke to laugh about each time we were together. This poem is in remembrance of her.

REMEMBRANCE

Remembrance is a golden chain that Death tries to break, but all in vain.

To have, to love and then to part is the greatest sorrow of one's heart.

The years may wipe out many things, but some they never wipe out. Like memories of those happy times when we were all together.

“ Phillip, Lil Phillip, & Asia,
This is a difficult time not only for you, but all our families...Moore, Harrison & Lyons. Cal will be greatly missed. We may not have seen each other or talked everyday, but when we did we played catch up. We would have so much fun just laughing & talking. We had wonderful times growing up...I was telling my friend how Cal and I used to play jacks on Aunt Annie's kitchen floor. Nobody could beat us; WE WERE GOOD! I love to travel, but this is one trip that I was not preparing to take. Cal, I will miss you with all my heart. I love you...Sleep and take your rest. Family, we must let her go but the fond memories we have will last forever. One day we will be able to hear her say "This is Callie".

We will miss: her soft voice, kind acts, faithfulness to praise dancing, along with her sincere smile.

“ I met Callie at FOH Labor and Delivery 2nd shift and we continue to be freinds. We would change the beds and laugh together because Callie found find joy in everything. She was a comfort to me when my husband died. There are at least 10 of us that supported each other when life present an unhappy situation in our lives. I remember her smiles and saying grunting "hu" and one of her favorite "Girl you a mess". I will remember your smiles and the joy you give me everytime I saw you.
