“ Hi mama, it's me Shawnie. I just said hi to dad, and I had to say hi to you. I talked to Aunt Pat the other day, and it brings a smile to hear her voice, because I hear you. So many changes have gone on in the past few years, that I really don't understand, but God knows all and he sees all. I miss just calling you to say goodnight, or picking you up from dialysis. God wanted you more, and I'm grateful that you and dad told us about a man name Jesus, he makes all things better. Well, this has done me some good just to chat. I Love you so much, take care of daddy 🥺❤️

“ Dear granny,
As it comes close to my birthday I think about u more and more so I
decided to a write a poem that was an example of u:
An angel sent from heaven!

*You were here to
be a mother an
angel sent from
heaven!*

*You were here to
be all you can be, an
angel sent from
heaven!*

*You were here to
care for us, an
angel sent from
heaven!*

*YOU WERE HERE
TO SPREAD GODS
WORD, AN ANGEL
SENT FROM HEAVEN!*

*But on March 11, 1947
he sent you to do your
labor but on December 10, 2013
he gave you your reward, an
angel sent from heaven!!*

Love you always dooder bugg!!

“ In memory of my Cousin Candy. To her children, grandchildren, siblings and other loved ones, you have my deepest sympathy. You truly had a sweet, caring angel among you. She will be missed..... God give you all the strength you will need at this time. Please don't tell her "bye," only say "See you later," and live your lives in the manner she trained you and you will.... God be with you, Cousin LaVerne

“The Leaf”

*A gentle breeze shook a leaf from the tree.....
No one noticed... just you and me.
The leaf danced It swayed... a child again,
And as the breeze so gently, lifted it away,
It paused for a moment as if wondering.... “Should I stay?”
But continued its journey anyway.*

*The leaf floated higher and higher toward the Light in the sky
And when I saw the clouds open,
I thought I heard familiar voices from the same old tree...
Or was that the sound of angelic wings?*

*It doesn't matter so much that the breeze took the leaf away,
Only that, that part of our tree was taken
Gone “Home” to stay.
Our family will miss that part of our tree,
But, our family “back home” is rejoicing I know,
Because our loved one has “come home” to stay.*

*A child again.....
No suffering, no sadness, no more pain nor hurt,
She's gone home to the Father, gone away from this earth.*

*So every time you hear or feel a slight breeze,
Or see the movement of the leaves.....
Remember.....*

The leaves that have gone "Home" to our Heavenly family tree.

“ Dear Pookie,

"On bended knee"

When I am sad and feeling low, and I just need a place to go. Do I go to the mountains beneath the tree? No, I go to God on bended knee.

There is so much hatred and violence on every hand. In my mind I search for peace. Where do I find it? On bended knee.

I always ask when fighting a hard task. And if I want a victory. I go to God on bended knee.

Rest good and faith servant. I'll see you.

“ Dear Mrs. Richardson Family and Friends,
I am so very sorry to hear of the loss of your dear loved one, and offer you my sincere condolences. Many have found comfort and hope in knowing that the Bible assures us: “Jehovah is close to the brokenhearted; He saves those who are crushed in spirit.” (Psalm 34:18) God’s holy spirit, or active force, can equip you with “power beyond what is normal” to go from one day to the next. (2 Corinthians 4:7) It is my sincere hope that this gives you a measure of solace in this most difficult time. My family wishes you and yours peace.
