“ I send condolences to the entire family. I missed the service and feel horrible. I met Carla at Foss Ave. Baptist Church we were in the same Sunday School Class and same Kindergarten Class. I saw her last year at Northern's 60th Birthday Celebration. We laughed talked, hugged and exchanged phone numbers. I had no idea she was ill because she looked GREAT! I feel so bad for not calling her just to say hello. Praying for the family. May God bless and give you strength.

“ My prayers are with the family and friends of Mrs. Bradley. Isaiah 25:8 is a comforting scripture that tells us what God will soon do in the near future. I hope it will give you comfort as well as you go through this difficult time.

We cried when you went away we cry still today although we loved you dearly we couldn't make you stay. A golden heart stopped beating, hard working hands at rest, God broke our hearts to prove to us he only takes the best.

“ *My Sistah! Gone but will not be forgotten!
"May tender memories soften your grief,
May fond recollection bring you relief,
And may you find comfort and peace in the
thought*

Of the joy that knowing your loved one brought...

For time and space can never divide

Or keep your loved one from your side.

When memory paints in colors true,

the happy hours that belong to you."

She touched the hearts of so many during her journey down here.

Onya, Mario, DJ, & Ashton I am praying with you and and for you.

“ *We send our condolences to the family of Mrs. Carla Bradley. So many wonderful memories that will always be locked away never forgotten. Every student at the AOF had the pleasure and opportunity to have her as their Computer Teacher. Through our conversations, I know how much she loved her family. I too like Mr. Duncan did not know of her illness and would have love to talk with her. She would send me inspirational messages often on my Facebook Page - "Peace Be Still" was how she was identified - Mrs. Bradley now you have sweet, sweet peace. Rest on my Sista.*

“ Mrs Bradley was a very dynamic person, and an excellent teacher. She contributed so much, the former staff, students and I will miss her. I was shocked and saddened to hear of her passing. I only wish I had known she was ill, so I could have let her know again what a blessing she was and will be to me and others affiliated with the Academy Of Flint.

I truly miss my neighbor's sweet voice and her kindness. Every day, for years, we left our homes for work at the same time. As we approached our vehicles we greeted each other. When I asked how she was doing, she'd say, with a big smile and sweet sounding voice , "I'm blessed by the grace of God ". May God comfort her family as it grieves an enormous loss.
