“ I love you Aunt Carla. So many memories. From times I went to the store to buy you cigarettes cause I was the only kid who stayed inside all day but you let me keep the change and thought me about saving money. And teaches me all about football(even when you were a cowboys fan) that's why I love the game today. Thank you for everything. RIL.

“ *I remember when we met Carla, she was living on Damon Street and she went over there and saw she had a little boy and just had Christopher and when she seen him, she wanted to be his Godmother. I've been knowing my aunties for over 40 years or more. She was my mom best friend sister. When my mom died, I know I had to make sure Carla was good like my mom did. I'm going to miss you like crazy. I LOVE YOU AND MISS YOU. I will be here for my sisters and brothers. I got them, Carla Sue.*

“ My deepest condolences to the family for your loss. I knew Carla for 60 plus years and have many fond memories of her. If we look back in our lives, we will see that some of the best memories will be the simple moments we spent with our friends.... I feel I spent many with Carla. " Friendship is a connection that does not weaken in death but instead grows stronger for those who remember." I will always remember Carla. May her Soul Rest in Peace. God Bless all of her Family.
