“ I just want to say that I love Auntie Carla so much!!! She was like a mother to me. This whole time I have been sick she was right there by my side making sure I was well taking care of. She came to the hospital on the 18th when I had my surgery to make sure I was ok. I never would have thought that she would have passed away 7 days later. I love Auntie so much and Lord knows I am going to miss her,
