“ *Our condolences go out to you and your family. We are truly sorry to hear of your loss. Often during these difficult times people turn to the bible. Two scriptures that come to mind are Revelations 21:3,4 and Acts 24:15. I hope that these scriptures are comforting to you.*

“ Carolyn was always there for my brother, Issac Miller Jr. and family; she was always our sister even when they were no longer together. She remained an important part of the Holmes family and will be missed. She is in a better place where there is no more pain or hurt.

May she rest in peace in the presence of our Lord and Savior.

Although we were not able to be there physically to celebrate the life of Carolyn, no that we were so sorry to hear of her passing but remain her family in our hearts.

Mother's additional comments (Margaret Holmes Holt)- Carolyn was always my daughter, even after she moved to Michigan and will never be forgotten.

love, Holmes family.
